Tiny Socialights - Social Skills Program

The goal of our Tiny Socialights social skills program is to facilitate early social skill and peer development across the school, home, and community settings. Strategies are taught to help better manage routines, expected behaviors, and coping skills within each child's daily life. Peer development activities instruct children in social thinking, to increase awareness of their own and others' thoughts/feelings, as well as conversational skills and joining and collaborating in play. We will focus on additional areas such as language processing and expression, and attention and focus. The classes will be an hour in length and will be led by speech-language pathologists and occupational therapists. Your child will receive therapeutic support that will aid in transitioning through the early school years, and cultivate a more enriching and successful experience within home and community environments.

Class Age: Recommended for ages 4 – 7 (with flexibility depending on group dynamics)

Class Size: Limited and designed to best meet the needs of every child. We will conduct a screening with your child to determine appropriateness of this class. Please call at your earliest convenience to schedule a time for this screening.

When: Wednesdays: September 7 – December 14, 3:30 – 4:30 p.m., *excluding November 23, 2016*

Locations: Winthrop Town Centre: 6152 Delancey Station Street, Ste. 205, Riverview, FL 33578
South Tampa: 324 N Dale Mabry, Ste. 201, Tampa, FL 33609

Cost: \$60 per class. The payment for the entire month is due by the 1st day of each month's class: Sept 7 (\$240), Oct 5 (\$240), Nov 2 (\$240), and Dec 7 (\$120). This payment process is mandatory to participate in the program and failure to pay will result in no services rendered. Refunds will not be provided for absences for any reason. ***There is also a \$40 fee for the screening.***
